

Serving Veterans Talking Points

- More than 35,000 of our associates are veterans or active-duty military – so giving back to veterans is personal to The Home Depot.
- The Home Depot Foundation supports veteran housing initiatives for our nation’s combat-wounded, homeless and senior veterans.
- Thousands of our store associates volunteer with Team Depot in communities across the country to help ensure our veterans have safe, reliable housing.
- Today, we’re with [*nonprofit partner*] to help a [*military branch*] veteran who needs [*project description*].
 - For example:
 - *Today, we’re working with Meals on Wheels Austin to build a wheelchair ramp for Maggie, a U.S. Army veteran living in Austin, Texas. She hasn’t been able to leave her home while in her wheelchair for many years, and this ramp will help her live more independently.*
- To date, The Home Depot Foundation has donated more than \$375 million to veteran causes – and the Foundation is committed to investing half of a billion dollars by 2025.
